Dear Terry and Enzo,

On behalf of the Downtown Long Beach Associates Board of Directors, I am proud to recognize L'Opera Ristorante's 20<sup>th</sup> anniversary. Your commitment to quality, elegance, and customer service has made L'Opera an unparalleled dining experience for so many. It gives me the greatest pleasure to celebrate the contribution that you have made to the Downtown community and mark this most special of occasions.

Everyone who has had the chance to experience L'Opera's award-winning cuisine and enjoy the classic warmth of the dining room, bar, or wine cellar has truly been a part of something exceptional. However, it is not just the food or the ambiance that makes L'Opera a local treasure; it is also the L'Opera employees who strive to exceed each customer's expectations, whether that person is visiting for the first time or is a long-time patron.

Your investment in Downtown Long Beach is appreciated, and I wish you many more years of excellence. Salute!

Sincerely,
